Visitors/Speakers to Address the Board: Bob Cummings Crescent Hills Dr. came to talk about the trees that are hanging down on the west side of the road on Crescent Hills Dr. One is on the top left-hand side and then also down at the end on Horse Thief. Bob also questioned about the city mowing their part of the guard rail. Roy advised the city doesn't have any equipment that would mow on the backside of the rail. Tom added he had Roy will be having a meeting with Bill Waller to discuss the maintenance on the hill going forward.

8. Clerk Report:

The township received a partial tax check for \$6,029.45 from the city for seventeen properties that were previous annexed. Election went very well. A huge thank you to Roy for working all day and taking all the equipment back to Caledonia for me.

10. Other or Old Business:

- Jason – Bennett Brothers are going to look at the King property in October or late fall. Just waiting for it to dry up a little more. Bob mentioned they will also have to take a look at the property next door. Where their garage is there is water that runs under the ground well in the road right away. It runs to some plate steel that is there along with some holes. We'll need to look at putting a culvert in.

11. Supervisors Report:

Roy: Was contacted by Kris at Ready Bus Line reference some trees on Old Hickory Dr. that need to be trimmed back. Also, there are some pot holes on the shoulder on Sportsmans Valley Rd. The stabilizer and coupler were replaced on the tractor.

Tom: Sent out an email a few months back on ARPA funds usage. We'll need to have some future discussion on that.

Bob: Ed has finished the second round of mowing. The DOT inspection will need to get done on the plow truck.

Tim: none

Jason: none
