Also, the city hired Chosen Valley Drilling to go up and drill a bunch of holes all throughout Crescent Hills for the purpose of testing to see how much rock is there for a cost study of bringing city sewer and water to Crescent Hills addition. The city didn't notify anyone on the board and after being notified by a couple residents Jason went up to

Crescent Hills and then to the city and spoke with Tyler. Tyler advised it was an honest mistake and the city will come up and cut it out and fix it. Jason asked that they wait till the road bands are off before fixing it.

Jason would like to have Bob get a couple loads of cold mix.

Jason brought up the idea of the township purchasing a pole saw. Discussion was held on trading in the mower and purchasing the saw with attachments. Feeling of the board was to get some prices.
